Student of BCA who is excited to code and generate amazing outputs on screens, I started my journey from Programming then headed to Web Development. I am giving my full time in enhancing my website making skills and I would like to grab an opportunity to enhance it to higher levels.

Education

- ❖ BCA (2021-24) | S.S. Jain Subodh College, Jaipur
- ❖ Class XII – 95.2 % | RBSE | PCM | 2021 | N.M. International School, Jaipur
- ❖ Class X – 84.17 % | RBSE | 2019 | N.M. International School, Jaipur

Skills

- C and Java language.
- Basic knowledge of DSA.
- JavaScript , HTML , CSS , React JS , Node JS (Express)
- MongoDB & MySQL

Projects

- ❖ **Backend of E-commerce site** – ExpressJS , MongoDB
- ❖ **Todo App** – ReactJS , NodeJS, MongoDB
- ❖ **Dashboards (E-commerce & Bitcoins app)** – ReactJS

(Currently working on Frontend of E-commerce and a Movies review site using **ReactJS**)

Objective

As a student with enthusiasm to work , I am looking for an entry level position in IT company where i can utilize my learnings and skills to maximum potential and get a chance to develop amazing and helpful products with a team and gain a lot of knowledge and industrial experience from the masters of these technologies.

Achievements

- ❖ Got 19th rank in OXYOPIA all over India exam 2016 (District rank 13th, School 1st)
- ❖ Completed JS-mastery Java-script course of Beginners to Advance level of Udemy.
